

IROC SYSTEMS CORP. ANNOUNCES THE APPOINTMENT OF A NEW SENIOR VICE-PRESIDENT

Red Deer, AB/ April 20, 2001/ CNW/ - Mr. Dennis Featherstone, President and C.E.O of IROC System Corp. ("IROC") (CDNX: IRC), announced today that Tim Sebastian, IROC's General Counsel and Corporate Secretary, has been appointed as a Senior Vice-President for the company, in charge of corporate development. Until joining IROC in October of 2000, Mr. Sebastian had practiced law in Alberta since 1990 in the corporate/commercial and securities areas. Mr. Sebastian will also continue as General Counsel and Corporate Secretary of the company.

Also, effective April 9, 2001, due to time commitments from other business and community interests, Gregg Johnson has resigned as Executive Vice-President and as a Director of IROC.

IROC is an Alberta based fully integrated safety Services Company that has provided downwind air quality monitoring and related safety services to the energy sector since 1984. IROC, together with its development partner Sat-Tel Corporation (CDNX: SAJ) has developed key technologies to address remote air quality monitoring, and has recently expanded operations to provide full safety services for drilling, completion, production and plant shut down/turn-around works for its clients.
