

**IROC SYSTEMS CORP. ANNOUNCES A CHANGE OF CONTROL**

Red Deer, AB / December 12<sup>th</sup>, 2001 / CNW / - IROC Systems Corp. ("IROC" or the "Company") (CDNX: IRC) announced today that Dennis Featherstone and Laura Featherstone have completed the transaction with 745545 Alberta Ltd. ("745545"), wherein 745545 has purchased from the Featherstones 5,272,000 common shares of IROC, representing 50.8% of the total issued and outstanding shares of IROC. The purchase by 745545 has resulted in a change of control in IROC.

Further, as a result of the sale, Dennis Featherstone has stepped down as President and CEO of IROC, and has resigned as a Director of the Company. Mr. Featherstone will remain as an employee of IROC, with a focus on the northern initiatives and technology components of the Company.

Also as a result of the sale, Mr. Thomas M. Alford has been appointed as a Director of IROC and has assumed the positions of President and CEO of the Company.

About IROC Systems Corp.:

IROC Systems Corp. is an Alberta based fully integrated safety services company that has provided downwind air quality monitoring and related safety services to the energy sector since 1984. IROC has developed key technologies to address remote air quality monitoring, and has recently expanded operations to provide full safety services for drilling completion, production and plant shut down/turn-around projects for its clients.
