

For Immediate Release

Iroc/Safety Hawk Industrial Services Inc. enters into agreement with NOVA Chemicals Corporation to supply safety watch services to Joffre Facility.

Red Deer, AB/ May 3, 2001/ CNW/ - Mr. Craig Dore, President of IROC/Safety Hawk Industrial Services Inc. ("IROC/Safety Hawk") announced that IROC/Safety Hawk has entered into an agreement with NOVA Chemicals Corporation ("NOVA Chemicals") to supply safety watch services for the Ethylene One (E1) facility turnaround project at NOVA Chemicals' Joffre, Alberta facility. The agreement provides that IROC/Safety Hawk will be responsible for the supply of safety watch personal and equipment required for NOVA Chemicals to complete the annual facility turnaround project for 2001 at the Joffre facility.

Mr. Dore said, "We are very excited to be chosen by NOVA Chemicals as its safety watch services supplier for the E1 turnaround. We are confident that IROC/Safety Hawk, with its combined resources of IROC Systems Corp. (CDNX:IRC) and Safety Hawk Services Inc., will provide NOVA Chemicals with unparalleled service".

IROC/Safety Hawk is a joint venture of IROC Systems Corp. (CDNX:IRC) and Safety Hawk Services Inc.

About IROC Systems Corp.:

IROC Systems Corp. is an Alberta based fully integrated safety Services Company that has provided downwind air quality monitoring and related safety services to the energy sector since 1984. IROC, together with its development partner Sat-Tel Corporation (CDNX: SAJ) has developed key technologies to address remote air quality monitoring, and has recently expanded operations to provide full safety services for drilling, completion, production and plant shut down/turn-around works for its clients.

About Safety Hawk Services Inc.:

Safety Hawk Services Inc. is a private Alberta based corporation that was founded in 1993 that provides full range of safety and health services to the oil and gas, petro-chemical, construction, and pipeline industries. The company's quality control management program and commitment to high standards garnered Safety Hawk the North American Occupational Safety and Health (NAOSH) "Best of the Best" award for the year 2000. Safety Hawk also has been designated as the Canadian service depot for the US based Biosystems Inc. Safety Hawk has experienced significant growth in recent years as a result of its reputation for delivering a high quality of standard of service, and through key acquisitions and strategic alliances.
