

IROC SYSTEMS CORP. ANNOUNCES 2005 SECOND QUARTER RESULTS

Calgary, AB/ August 17, 2005/ - Tom Alford, President and CEO of IROC Systems Corp. ("IROC") (TSXV:ISC) announces IROC's financial results for the six months ended June 30, 2005. Revenue for the six months was \$9,886,126 as compared to \$3,464,957 for the six months ended June 30, 2004. Earnings before interest, taxes, depreciation and amortization (EBITDA) was \$1,672,362 at the end of the six month period ending June 30, 2005 versus \$478,455 during the first six months of 2004 while the net earnings was \$136,126 for the first six months of 2005 as compared to the net loss of \$18,780 in the corresponding period of 2004.

Revenue for the three months ending June 30, 2005 increased to \$4,050,127 as compared to \$1,586,477 for the three months ended June 30, 2004. The net loss was \$428,132 for the second quarter of 2005 as compared to the net loss of \$209,455 for the three months ending June 30, 2004.

Mr. Alford commented that, "the second quarter proved difficult given the weather conditions evident throughout our operating areas. While positive EBITDA was achieved, management expected better financial performance given the operating environment. The complete deployment of our rigs, positive developments in our communications initiatives and encouraging results in our environmental and remediation business should provide IROC with the ability to meet our goals during the coming months."
