

**IROC SYSTEMS CORP. APPOINTS NEW CHIEF FINANCIAL OFFICER
IROC CONFIRMS DIRECTOR NOMINEES**

Calgary, AB/ March 14, 2005/ - Tom Alford, President and CEO of IROC Systems Corp. ("IROC" or the "Company") (TSXV:ISC) is pleased to announce that Gayle Morrical, the Company's current controller, has been appointed as the Company's new Chief Financial Officer. Ms. Morrical has been the Company's controller since December, 2001 and will assume the role of Chief Financial Officer from Tom Alford immediately. Ms. Morrical's appointment as Chief Financial Officer is subject to the acceptance of the TSX Venture Exchange.

Mr. Alford also announced today that he has received a commitment from each of Mr. Jamie Biluk, formerly the Regional Vice President for Canada for Weatherford Drilling and Intervention Services, a Division of Weatherford Canada Partnership until January 2005, and Mr. Grant Fagerheim, currently the President and Chief Executive Officer of Kereco Energy Ltd. to put their names forward as director nominees at the next annual shareholders meeting of IROC to be held in the second quarter of 2005. The appointment of each of Mr. Biluk and Mr. Fagerheim to the board of directors is subject to the approval of the IROC shareholders and to the prior receipt of all required regulatory approvals.

IROC also confirms that it has filed a summary of its current corporate governance practices on SEDAR. The summary was filed on March 11, 2005 under the designation "Other" and can be viewed at www.sedar.com.

IROC Systems Corp. is an Alberta based, oilfield services company that has provided equipment and personnel in the area of downwind air quality monitoring and safety services to the energy sector since 1982. IROC has developed key technologies to address remote air quality monitoring, designed and deployed new air breathing systems and provides a full line of safety services for drilling, completion, production and plant shut down operations. Also, the Company's wireless technologies provide custom solutions and innovative products, which integrate wireless and satellite technologies, to deliver connectivity solutions for specialized markets in a variety of industries. IROC also offers mobile service rigs and a complete range of reclamation and abandonment services through two of its wholly owned subsidiaries, Eagle Well Servicing Corp. and Canstar Environmental Corp.
