

IROC SYSTEMS CORP. ACQUIRES GLOBAL ATMOSPHERIC SENSING INC.

Calgary, AB/ March 22, 2005/ - Tom Alford, President and CEO of IROC Systems Corp. ("IROC") (TSXV:ISC) announced today that IROC has completed the acquisition of all of the issued and outstanding shares of Global Atmospheric Sensing Inc. ("Global"). In exchange for all of the issued and outstanding shares of Global the shareholders of Global received in aggregate 607,473 common shares of IROC at a deemed issuance price of \$1.81 and \$75,000 cash.

IROC Systems Corp. is an Alberta based, oilfield services company that has provided equipment and personnel in the area of downwind air quality monitoring and safety services to the energy sector since 1982. IROC has developed key technologies to address remote air quality monitoring, designed and deployed new air breathing systems and provides a full line of safety services for drilling, completion, production and plant shut down operations. Also, the Company's wireless technologies provide custom solutions and innovative products, which integrate wireless and satellite technologies, to deliver connectivity solutions for specialized markets in a variety of industries. IROC also offers mobile service rigs and a complete range of reclamation and abandonment services through two of its wholly owned subsidiaries, Eagle Well Servicing Corp. and Canstar Environmental Corp.
