

**IROC SYSTEMS CORP. CLOSSES ACQUISITION OF ASSETS OF
KODIAK ENERGY SERVICES LTD.**

IROC SYSTEMS CORP. CLOSSES DEBENTURE OFFERING.

Calgary, AB/September 12, 2005/ Tom Alford, President and CEO of IROC Systems Corp. ("IROC" or the "Company") (TSX Venture Exchange: "ISC") announced that IROC has successfully completed the acquisition of the current assets, certain fixed assets and the business operations of Kodiak Energy Services Ltd. ("Kodiak"). Kodiak's operations include lease construction, remediation and waste transportation services.

Mr. Alford stated that "the assets and business of Kodiak represent a significant addition to the products and services offered by Envirocore Ltd., IROC's environmental subsidiary, and the acquisition of the Kodiak assets represents another step in IROC's commitment to expand the oilfield services that it offers to its customers."

Mr. Alford also announced that IROC has completed \$7.0 million dollars worth of the previously announced private placement of three (3) year 8% unsecured debentures, which included the granting of 1,050,000 warrants to purchase common shares of IROC. Each warrant is exercisable into one common share of IROC at a price of \$2.50 for the first two (2) years and at a price of \$2.70 for the third year of the warrant. The debentures and warrants are non transferable. Any common shares issued upon the exercise of the warrant within the first four (4) months and one (1) day after the date that warrants were issued will be subject to a hold period which would expire on the date which is four (4) months and one (1) day after the date the warrants were issued. A finder's fee in the amount of \$40,000 was paid in connection with the offering.

About IROC Systems Corp.

IROC Systems Corp. is an Alberta based oilfield services company that has provided equipment and personnel in the area of downwind air quality monitoring and safety services to the energy sector since 1982. IROC has developed key technologies to address remote air quality monitoring, designed and deployed new air breathing systems and provides a full line of safety services for drilling, completion, production and plant shut down operations. Additionally, IROC operates service rigs across Central and Southern Alberta through Eagle Well Services Corp., provides premium communication solutions through Oricomm Inc. and is active in the area of environmental reclamation and remediation through Envirocore Ltd. (formerly Canstar Environmental Corp.), each of which are wholly owned subsidiaries of IROC.
